**Report on Counselling Programme to Enhance Enrolment  
Government Sanskrit Mahavidyalaya, Samdong**

*Date: 25<sup>th</sup> to 30<sup>th</sup> November 2024*

Government Sanskrit Mahavidyalaya conducted a **Counselling Programme** aimed at increasing student enrolment by raising awareness about the institution's offerings and opportunities. The programme targeted Senior Secondary Schools in **Samdong, Khamdong, Lingee, Makha, and Dikchu**, where interactive sessions were held to guide and motivate prospective students.

**Programme Overview**

The counselling programme was spearheaded by the esteemed leadership of:

- **Principal:** Shri. Shiva Pd. Pokhrel
- **Vice Principal:** Dr. K.L. Sharma
- **Dean of Students Affairs:** Dr. H.K. Nepal
- **Head of the Department of Puran Itihas:** Dr. Keshav Pokhrel

**Objectives**

The programme aimed to:

1. Provide students with information about the courses, facilities, and opportunities offered at Government Sanskrit Mahavidyalaya.
2. Address queries and concerns regarding higher education pathways.
3. Motivate students to pursue higher education and highlight the benefits of enrolling in the institution.
4. Foster awareness about the relevance of Sanskrit and allied disciplines in contemporary academic and professional landscapes.

**Activities and Highlights**

**1. Interactive Presentations**

Faculty members presented detailed insights into the institution's courses, including Sanskrit Vyakaran, Puran Itihas, Jyotish, and Sanskrit Sahitya. Special emphasis was placed on the planned certificate course under the Indian Knowledge System (IKS).

**2. Address by the Principal**

Shri. Shiva Pd. Pokhrel delivered an inspiring address, encouraging students to envision higher education as a stepping stone to personal and professional growth. He also spoke about the institution's conducive learning environment, modern facilities like smart classrooms, and the availability of remedial classes for academic support.

### 3. Counselling Sessions

- **Dr. K.L. Sharma** highlighted the academic and extracurricular opportunities available, emphasizing the holistic development of students.
- **Dr. H.K. Nepal** provided guidance on managing academic and personal challenges during the transition to college life.
- **Dr. Keshav Pokhrel** explained the relevance of studying Sanskrit and Puran Itihas in understanding India's rich heritage and how it contributes to various career pathways.

### Impact

The programme received an overwhelming response from students and teachers at the targeted schools. It successfully:

- Generated enthusiasm among students about higher education opportunities.
- Increased awareness about Government Sanskrit Mahavidyalaya's unique offerings and student-friendly initiatives.
- Strengthened the institution's outreach in the surrounding communities.

### Feedback

Feedback from school authorities and students indicated that the programme was well-structured and informative. Many students expressed interest in pursuing their higher studies at Government Sanskrit Mahavidyalaya.

### Conclusion

The counselling programme was a significant step toward enhancing enrolment by connecting with prospective students at the grassroots level. It reflects the institution's commitment to expanding its academic reach and promoting Sanskrit and allied disciplines among the youth.
